We Do Not Operate Under the Rules of this Recession

We absolutely do not operate under the rules of this Recession. God has given us a different set of rules to use so we can prosper, even in this recession. He never wanted us to be in a state of lack.

Yes! They are the rules of sowing and reaping. We reap what we sow; we reap in like kind. We sow cotton seed and reap a harvest of cotton. We sow seed of corn and we get back a harvest of corn.

You will never sow seed of one kind and reap a harvest of an entirely different kind. What a grotesque thought. We would live in disorder and chaos if things were like this.

Gal 6:7 Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

The above verse declares order. God is not the author of confusion. Everything he does is ordered and therefore orderly. It would be a mockery to God and of God to believe one could sow one thing and reap another.

Isa 48:17 Thus saith the LORD, thy Redeemer, the Holy One of Israel; I *am* the LORD thy God which teacheth thee to profit, which leadeth thee by the way *that* thou shouldest go.

Aren't you glad you are not without instructions along the way. God said he was our teacher. He said he teaches us how to profit.

"God has pleasure in the prosperity of his servant." What an awesome statement.

What an Awesome Set of Promises

(Continued from page 1)

He leads us along the way that we should go.

In the context of this verse, the way that we should go is the way to profit making. He teaches us how to profit. He also leads us in the way where profits can be made.

What a set of awesome statements. What a set of awesome promises.

Psa 35:27 Let them shout for joy, and be glad, that favour my righteous cause: yea, let them say continually, Let the LORD be magnified, which hath pleasure in the prosperity of his servant.

Why can't we see it clearly all the time? God has pleasure in the prosperity of his servants. See it again here. The Psalmist said the Lord has pleasure in the prosperity of his servant.

We are more that servants, We are his children. We are the seed of Abraham. We are members of the Abrahamic Seed Group. We have been grafted into the previous verse on an absolute equal footing with the Jews.

Why won't we "let the Lord be magnified"? You remember that faith is information we get from God for us to act upon. Here is our information. We are assured that God has pleasure in the prosperity of us since we are more than servants. We are children of Almighty God.

Ps 102:17

He will regard the prayer of the destitute, and not despise their prayer. (KJV)

Many Christians are in poverty that should not be in poverty. Some even get to feeling that God wants them in it and will not answer their prayers to get out of it.

(Continued on page 3)

We Play by the Supernatural Rules of the Covenant and the Promises

(Continued from page 2)

But look at the verse above and study it carefully for a moment. See what it says!

It says that God absolutely will hear the prayer of the destitute. Not only this, he will pay close attention to it. This means he will indeed regard the prayers of his children who have fallen destitute.

Furthermore, our God will not despise, or reject their prayer. He will not reject your prayer when hard times have lied their way into your finances.

Begin now to sow your way out of this Recession. We do not play by the rules of this recession. We play by the supernatural rules of the covenant and promises of God.

He will not turn a deaf ear to us. He says sow and you shall reap in like kind. Whoever heard of sowing one thing and reaping another! No one!

Job had it figured out. Read what he said below.

Job 36:15

15 He delivereth the poor in his affliction, and openeth their ears in oppression. (KJV)

As bad as Job had it, somehow he knew that God would deliver the poor in his affliction.

Somehow he knew God's ears were open to them in times of oppression.

He hung on to God for dear life in spite of his wife and friends.

Job 36:11

11 If they obey and serve him, they shall spend their days in prosperity, and their years in pleasures. (KJV)

He knew that obeying God was the key. We can learn from Job here.

The reason many of us are not in a state of prosperity is because we try to get it our way and not God's way. You see, God has left us a set of Wealth Making Blueprints. This set of blueprints work. Our own blueprints sometimes don't work.

God's Wealth Making Blueprint requires sowing money and so you can then reap money.

Now here is where we pull our Naaman. He refused to get into the river the prophet told him to get into for the healing of his leprosy.

Our Naaman is this: we will not sow. We will not sow. We fail to recognize that without sowing, God will not bless us financially. Without dipping into the prescribed river, Naaman was still a leper.

Now you can sow and reap like Naaman dipped and got healed. Or you can try more and more of your own rivers, ways and schemes to pull yourself up and out of the jaws of this Recession.

But remember this! God has lined up one way and one way only to prosperity: sowing and reaping. This is God's way. Start today. Get going on your

The obedience Job spoke of here
meant simply doing what God says for
us to do.

In our case here, our obedience to
God is sowing in order to reap. We
can reap what we sow.

Therefore, sow money starting right
now. This is your way out of this Re-
cession.

This is the Wealth Making Blueprint of
God himself. Think of it. He gives us

the power to get wealth. That power
is in his law of Sowing and Reaping.

Deu 8:18

But thou shalt remember the
LORD thy God: for *it is* he that
giveth thee power to get wealth,
that he may establish his cove-
nant which he swore unto thy fa-
thers, as *it is* this day.

sowing.*

Remember us in your giving- sowing.
